

Diabetes

Self-management Program

June 4th 12:30 - 2:30 PM
3222 Culebra - Memorial Branch Library

DEEP is a multi-cultural, bilingual, diabetes self-management education (DSME) curriculum that successfully helps many community participants take control of their diabetes and reduce their risk of complications.

Topics covered include:

- Managing symptoms
- Exercise for strength and energy
- Medication use
- Working with your doctor
